The screenshot displays the '全时安' (All-time) learning management system interface. The main header includes the logo and navigation links for '课程中心' (Course Center) and '学习中心' (Learning Center). The course title is '2024第三届全国大学生电化学测量技术竞赛安全培训' (2024 3rd National University Students Electrochemical Measurement Technology Competition Safety Training). The interface shows a sidebar with navigation options: '章节内容' (Chapter Content), '学习记录' (Learning Record), '课程评价' (Course Evaluation), '课程练习' (Course Practice), and '课程讨论' (Course Discussion). The '学习记录' (Learning Record) section is active, displaying a progress bar and a score of 100%. The score is highlighted with a green circle, indicating a passing grade of ≥ 90 points. The interface also shows a table of learning progress for various topics, including '知识点' (Knowledge Points) and '实验室常见的事故及预防' (Common Accidents and Prevention in the Laboratory).
